Dear prospective members,

It is time to renew your membership or perhaps join for the first time. The networking and resources available among your Senior Nutrition peers alone is worth the annual dues to be a member, but there is more! WASNP is now a member of Washington State Senior Lobby and the Anti-Hunger Coalition to enhance our abilities to advocate for what we feel is important as Senior Nutrition Providers. You can look forward to a fall meeting with intensive training opportunities. We continue to offer scholarships to help you in your endeavor to advance your own professionalism and training as related to Senior Nutrition. You have access to great recipes, standards of operation, policies and procedures, quantified surveys, and so much more when you are a member of WASNP. We hope you will consider renewing or joining us for this upcoming year.
